Dear Valued Carwash Operator:

This is your 2020 dues invoice for the Carwash Association of Pennsylvania. You are receiving this because you are among car wash operators and vendors that are current members, have been members in the past or have supported our various events and outings over the years.

We continue to make a broad reach across Pennsylvania in an attempt to gain the support and participation of all carwash operators and vendors. We work hard to enhance awareness and gain recognition of the benefits of the professional car wash industry. We know that together we can create a stronger and more unified industry voice in the public, government, and business arenas for our members in Pennsylvania. **We sincerely hope you share this concept and renew, or begin, a membership in CAP.**
